

Friends of Los Ranchos (FoLR) & Keep Los Ranchos Rural (KLRR) Need Your Help!

To ensure the 4th & Osuna and Chavez & Guadalupe developments in the Village require public input and that all Village and state statutes are followed, FoLR has filed 3 complaints in court:

- The Village violated the state anti-donation statute by deeding the 4th and Osuna tracts 1-3 to Palindrome for \$3. The Village needs to get fair market value for the 12 acres.
- The Village approved the Chavez & Guadalupe development via the Pilot Conservation ordinance that allowed for illegal spot zoning.
- The 4th and Osuna plat approvals were done by the village administrator and the Planning and Zoning director rather than by the Planning and Zoning Commission with final approval by the Board of Trustees with public meetings and input.

Donations are needed to support these legal actions! Any amount will help. How you can help:
